CERTIFICATE IV IN YOGA

GOVERNMENT ACCREDITED 10885NAT
CRICOS CODE 105455G

Our Certificate IV in Yoga will help you cultivate a healthy body and a clear mind through the practice of classical yoga, in the Shanti Yoga method. It is suitable for both beginners and those who are experienced in yoga practice. It is a one-year course in yoga for life, and the first step in yoga certification. It can then take you onto further studies to become a fully qualified yoga instructor, through the two higher qualifications, namely, The Diploma of Yoga Teaching and the Advanced Diploma of Therapeutic Yoga Teaching, providing you with recognition of prior learning from this first year of preliminary training.

WHAT IS YOGA

Yoga represents universal aspirations, ideals, sentiments and practices for a harmonious life. It stems from an Indian art of freedom and wellbeing that has been practiced for over two thousand years.

Shanti Yoga is a unique and integrated system of healing yoga, developed by yoga master Shanti Gowans. The Shanti Yoga method is a holistic program for body, mind, and spirit. Physically, Shanti Yoga presents a form of gentle, relaxing exercise, that strengthens the joints, muscles, tendons and bones, increases flexibility, stimulates the circulation of energy in the body, and enhances mental clarity. This provides the foundations for mindfulness meditation practice, which together with yoga ethics help you develop emotional wellbeing, peace of mind, and enlightened living. Slow movements, mindful stretching, floor, sitting and standing postures, internal self-massage, yogic breathwork, yoga relaxation and meditation, self-mastery, leadership, and an introduction to Ayurveda allow healthy individuals to maintain physical and mental wellbeing.

Unbind your spirit. Don't let the opinion of others restrain you

PURPOSE OF THIS COURSE

Yoga has been shown to positively benefit one's emotional, mental and social wellbeing. This course provides the student with the confidence and skills, in a mix of fundamental yoga theory and practices. It introduces the student to practical experience in yoga asana (postures), pranayama (yoga breathing), nidra (yoga relaxation), meditation, mantra, chanting, yoga health, with an introduction to the basic study of anatomy and physiology, Ayurveda, yogic cooking, yogic life philosophy, yoga psychology, including the fundamentals of self-mastery, concentration, leadership, and ethics. It also covers the deep and historical origins and background of yoga.

Certificate IV in Yoga is the starting point and foundation for core studies, in a hierarchy of yoga education and practical skills. It can be counted as the prerequisite essential first year of study for the 2-year Diploma of Yoga Teaching course, and the 3-year Advanced Diploma of Therapeutic Yoga Teaching course. As the common, first, academic year, it provides the underpinning and foundational knowledge and skills whereby students without any previous study in yoga can enroll to undertake higher Yoga education in the form of the Diploma of Yoga Teaching and Advanced Diploma of Therapeutic Yoga Teaching.

Take small steps along the path of spiritual growth

SHANTI YOGA

Certificate IV in Yoga represents the foundation course in Shanti Yoga, meticulously designed and taught by Shantiji and Shanti Yoga teachers. It is a complete introduction to the foundations of yoga and its wisdom traditions, designed to be applied to the complexity of our daily lives and to develop health, courage and sanity in these troubled times of uncertainty.

This course helps you deepen your own practices and understanding of the philosophy and psychology of Yoga. It is suitable for both beginners and those who are experienced in yoga practice.

Commence your formal studies with yoga for self maintenance and establish the foundational curriculum and groundwork for all subsequent training. The Certificate IV in Yoga course is the foundation for a progressive, deep, exploration program of yoga and yourself.
